Website: www.TheKarateDojo.com

We transport your child in federally approved vehicles from the following schools to our 9,000 sq ft facility:

Lexington #2 - Pineview Elementary, Saluda Rivers Elementary, BC Grammar Elementary,
Claude Taylor Elementary, Congaree-Wood Elementary, Springdale Elementary, Northside Middle School

NEW FOR 2013-2014: Lexington #1 – Oak Grove Elementary and Meadow Glen Elementary

We are not a daycare! We are not a babysitting service!

Our program is first and foremost about quality Martial Arts Instruction, Health and Physical Fitness.
Children participating in this program practice Martial Arts daily!!

This program has been designed to assist parents with the tough job of giving your child the tools and skills needed to overcome their daily obstacles. Whether it is getting bullied at school, a lack of focus on schoolwork or self-confidence issues, **The Karate Dojo can help your child become a self-confident leader.**

When you pick your child up from our facility their snack, homework and karate lessons are already done!
You get to head home and enjoy supper and quality time together!!

Children are picked up daily upon conclusion of their school day and transported to our facility. Snack time is given along with time for completion of their homework. The children then take part in daily, confidence building Martial Arts classes with an emphasis on Bully-Proofing, Respect, Focus and Discipline.

Parents then pick up their children upon completion of their own work day (by 6:30pm).

Within weeks the changes in your child will become obvious.

They will be able to say NO to unhealthy peer pressure. Their confidence level will rise. They will start being able to focus more clearly on their homework and they will begin to feel better about themselves.

The Karate Dojo is recognized as one of the top sport karate schools in the country by various leagues including the National Blackbelt League & Sport Karate International.

We are so confident that we offer the best programs available!
