CLASS ATTENDANCE

We have learned over the years that the most successful students in our Dojo are the ones who attend class regularly and/or have a family member supporting them throughout their Karate journey. Karate is about discipline, and the first lesson in discipline is showing up for class.

PRIVATE LESSONS

Whether you or your child are preparing for an upcoming Rank Test, want to step up your game for the next Karate tournament, want to learn new material or just want some one-on-one instruction you simply cannot beat private lessons at The Karate Dojo!

Schedule your personal time with our Office Director today!!

RANK TEST / GRADUATION

Group Rank Tests will generally be held on the final Saturday of each month. Private Rank Tests are also available to accommodate a student's personal schedule. Rank Graduation will be held on the following Monday (A) or Tuesday (B).

Each student will be tested and scored to determine if they have learned their material to move onto the next belt level. We only promote our students when they are ready to be promoted.

Rank is not guaranteed in our Dojo.
