

# RANK TEST

## LIST, NOTES, & ETTIQUETTE

### **RANK TEST ETIQUETTE**

Promotion is a Sensei's acknowledgement of his student's effort and achievement. A Sensei awards rank for progress in the physical, mental and spiritual aspects of Karate. Although there are technique requirements for each level, physical ability alone is not sufficient for promotion. The student must also show progress in the mental areas – (Patience, Discipline, and Respect). A Student may be asked to perform all or any part of the posted requirements - points are deducted for each mistake. Each test has a fee which is charged. The time required to achieve each belt varies with each student. There is no "average" time.

Our standards are VERY high and will remain as such. If you want a Blackbelt in three years, go join another Karate school.

It is considered **IMPROPER** to ask or speak about when you or your child's next test will be held.

### **MONTHLY RANK TEST**

October 2017 Rank Tests will be scheduled for **Saturday – October 28, 2017**.

If you or your child is scheduled to take a Rank Test this month, please make sure to:

- 1) Have the Rank Test Fee turned in prior to the 10<sup>th</sup> of the month or there will be a 25% Late Fee.
  - a. Students testing for Solid Belt must have the Rank Test Fee & Written Test turned in prior to the 15<sup>th</sup> of the month or there will be a 25% Late Fee.
- 2) Make EXTRA Time this month to become heavily involved with your child's practice!! Unlike many other Karate schools in town, we do not guarantee rank in our Dojo!! The best results are achieved by those students who have parents who take an active interest in their child's progress!!!
- 3) Just because you have been invited to test DOES NOT guarantee that you will pass your test!!!
- 4) If you or your child passes their Rank Test, they will then be required to attend Rank Promotion (generally the following Friday after Rank Test). Rank will not be awarded during regular classes throughout the week. Please do not ask.
