UNLIMITED CLASSES

All Karate students - both youth and adult are invited and encouraged to attend as many classes available for their age and rank throughout the course of each week.

Many different time options are available!

We have learned over the years that the most successful students in our Dojo are the ones who attend class regularly and/or have a family member supporting them throughout their journey.

Karate is about discipline, and the first lesson in discipline is showing up for class.

PRIVATE TRAINING

Whether you or your child are preparing for an upcoming Rank Test, want to step up your game for the next Karate tournament, want to learn new material or just want some one-on-one instruction you simply cannot beat private lessons with Sensei or any Blackbelt at The Karate Dojo!

Many different time options are available!

Schedule your personal time with our Office Director today!!

RANK TEST / GRADUATION

Rank Test will generally be held on the final Saturday morning of each month.

Rank Graduation will generally be held on the Friday following each Rank Test.

Each student will be tested and scored to determine if they have learned enough of their material to move onto the next belt level. We only promote our students when they are ready to be promoted.

Rank is not guaranteed in our Dojo.

Private Rank Testing is available.
